FINANCIAL AID

Ranger College is participating in an experimental Pell grant program for dual credit students. Students who wish to participate in the program must complete a FAFSA to determine eligibility. Not all students will qualify however, Ranger College encourages all students to consider participating in the program.

A Federal Pell Grant is awarded based on each student's financial need. Need is primarily based on Adjusted Gross Income (AGI) and family size, but other factors such as assets and the number of family members in college are also taken into account. The exact eligibility amount is calculated when the College receives and processes an Institutional Student Information Report (ISIR) from the U.S. Department of Education. Pell Grants are awarded only to undergraduate students who have not earned a bachelor's or professional degree. The annual maximum and minimum awards are set by federal regulations. Pell Grant funds are based on the number of hours the student is enrolled in when the funds are disbursed. All other sources of aid will be given in addition to the Pell Grant.

Ranger College will provide information on the program to students, parents, and school personnel via meetings, written pamphlets, or other means. Students must maintain Satisfactory Academic Progress (as defined by the Financial Aid Office), minimum grade point average, and are subject to Withdrawal of Title IV regulations.

ATTENDANCE
