

# **Bangs Independent School District Prekindergarten Family Engagement Plan 2021-2022**

## **Working Together**

Both experience and research tell us that a child's education succeeds best when there is good communication and a strong partnership between home and school. Some opportunities in this partnership may include, but are not limited to:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the counselor or principal any questions you may have about the options and opportunities available to your child.
- Keeping in contact with your child's teachers and campus as needed. Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor, or principal, please call the school office for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school.
- Becoming a school volunteer. (For further information, see policies at GKG and contact campuses or central office at 325-752-6612.)
- Serving as a parent representative on the district-level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. For further information, see policies at BQA and BQB, and contact Candace Wilson, Principal JB Stephens, 325-752-7236.
- Serving on the School Health Advisory Council, assisting the district in ensuring local community values are reflected in health education instruction. (See policies at BDF, EHAA, and FFA)
- Attending board meetings to learn more about district operations. (See policies at BE and BED for more information)
- Registering yourself for School Messenger alerts will allow you the most recent updates regarding your student and activities not only in their class, but also for their campus and the district.
